

**UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK**

LOUISE MENSCH,

Plaintiff,

-v-

UNITED STATES OF AMERICA and UNITED  
STATES INTERNAL REVENUE SERVICE,

Defendants.

No. 21 Civ. 6176 (CM)

**CIVIL CASE MANAGEMENT PLAN**

McMahon, District Judge:

1. This case is not to be tried to a jury.
2. Discovery pursuant to Fed. R. Civ. P. 26(a) shall be exchanged by **November 12, 2021**.
3. No additional parties may be joined after **November 27, 2021**.
4. No pleading may be amended after **November 27, 2021**.
5. All discovery, including expert discovery, must be completed on or before **April 15, 2022**.
  - a. PLEASE NOTE: the phrase “all discovery, including expert discovery” means that the parties must select and disclose their experts’ identities and opinions, as required by Fed. R. Civ. P. 26(a)(2)(B), well before the expiration of the discovery period. Expert disclosures conforming with Rule 26 must be made no later than the following dates:
    - i. Plaintiff’s expert report(s) by **February 19, 2022**;
    - ii. Defendants’ expert report(s) by **March 18, 2022**.
6. Judge McMahon’s rules governing electronic discovery are automatically in force in this case and can be found at <http://nysd.uscourts.gov/judge/Mcmahon>. The parties must comply with those rules unless they supersede it with a consent order.
7. Discovery disputes in this case will be resolved by the assigned Magistrate Judge, who is Magistrate Judge Ona T. Wang.

- a. The first time there is a discovery dispute that counsel cannot resolve on their own, file a letter to Chambers via ECF and ask for an order of reference to the Magistrate Judge for discovery supervision. Thereafter, go directly to the Magistrate Judge for resolution of discovery disputes; do not contact Judge McMahon.
  - b. Discovery disputes do not result in any extension of the discovery deadline or trial-ready date, and Judge McMahon must approve any extension of the discovery deadline in non-*pro se* cases.
  - c. **The Magistrate Judge cannot change discovery deadlines unless you agree to transfer the case to the Magistrate Judge for all purposes.** Judge McMahon does not routinely grant extensions so counsel are warned that if they wait until the last minute to bring discovery disputes to the attention of the Magistrate Judge, they may find themselves precluded from taking discovery because they have run out of time.
8. The parties may at any time consent to have this case tried before the assigned Magistrate Judge pursuant to 28 U.S.C. § 636(c).
9. A joint pretrial order in the form prescribed in Judge McMahon's Individual Rules, together with all other pretrial submissions required by those rules (not including *in limine* motions), shall be submitted on or before **May 27, 2022**.
  - a. Following submission of the joint pretrial order, counsel will be notified of the date of the final pretrial conference.
  - b. *In limine* motions must be filed within five days of receiving notice of the final pretrial conference; responses to *in limine* motions are due five days after the motions are made. Cases may be called for trial at any time following the final pretrial conference.
  - c. For bench trials, see Judge McMahon's special rules for bench trials in the Individual Rules.
10. No motion for summary judgment may be served after the date the pretrial order is due. The filing of a motion for summary judgment does not relieve the parties of the obligation to file the pretrial order and other pretrial submissions on the assigned date.
11. This scheduling order may be altered or amended only on a showing of good cause that is not foreseeable at the time this order is entered. Counsel should not assume that extensions will be granted as a matter of routine.

Dated: October 22, 2021  
New York, New York

Upon consent of the parties:
